

# Frontier Girls Butterfly Level Quick Reference Sheet

## Frontier Girls Butterflies – Grades 6-8

Frontier Girls Butterflies take on more advanced leadership roles within the troop, earn badges, organize and help with community service projects, and learn new skills. At the Butterfly level our goal is boost the girls' self confidence as they advance in life skills and explore the subjects that are of the most interest to them.

## How the Butterflies Got Their Name

Every year, Monarch butterflies make an incredible 2500 mile journey from the eastern United States all the way to Mexico. They persevere through all obstacles, whether wind or rain, and keep their eye on their goal, not the difficulty of getting there. As girls begin the journey toward womanhood, this can be the most difficult age. We hope that like the Monarch, they will persevere through any difficulties.

## Frontier Girls Promise

I promise to love God, be loyal to my country, and love my neighbor as myself.
