

Frontier Girls Owl Level Quick Reference Sheet

Frontier Girls Owls – Adult Level

Frontier Girls Owls take on advanced leadership roles within the troop, earn badges and awards, organize and lead community service projects, and learn new skills. At the Owl level our goal is to encourage women to never stop learning and to share what they learn with others.

How the Owls Got Their Name

With unblinking focus, the owl constantly looks toward the future, searching out the next piece of wisdom that might make a difference to its world. Observing everything around them with calm patience they soak up knowledge and glide confidently through the darkness knowing that soon it will be light again. Like the owl, we hope that the adults who participate in our program continue to focus on the future, learning new skills, gaining new knowledge, and remembering that each morning is a brand new day.
